¶1. This is an Action Request. See paragraphs 2 - 4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a post-license/pre-shipment check on license 050171972 for the export of aviation equipment to the Czech Republic. --What is your relationship with Transaero in the United States? What are the terms of the agreement between your company and Transaero in this transaction?

--What is your relationship with BHV Aviation Consultants in Germany and/or the MOD of the Czech Republic? What are the

terms of the agreement between you and BHV Aviation/MOD in this transaction? What role is BHV Aviation playing in this transaction? What role is your company playing in this transaction? Are you paying BHV Aviation any fees or commissions for its services in this transaction?

--Are you receiving any fees or commissions for your services in this transaction? If so, please provide details and documentation.

--Will you ever have physical possession of the defense articles? If so, please describe your inventory and security procedures.

--Are you familiar with the regulations governing the import of U.S.-origin defense articles, including restrictions on re-transfer or re-export?

(To GOCR Export/Import Authorities)

--Is Glomex MS properly authorized to broker, import, and/or sell defense articles in the Czech Republic?

--Do you have any information on Glomex MS that would question their reliability as a recipient or broker of U.S. defense articles?
